

Want to be a real life Santa Claus?

*Become a part of
an 85-year-old tradition!*

Every year since 1934, the Jaycees have brightened the lives of children in our community through this event—children write letters to Santa, the Jaycees collect the toys and other items the children have requested, and on December 24, teams of volunteers dress up as Santa, Mrs. Claus, and elves and go into the neighborhoods of Pasadena to distribute toys, cheer, and hope to thousands of children throughout the community.

And that's where you come in! We need Santas! If you are interested in volunteering to distribute toys as a Santa, Mrs. Claus, or an elf, please email opsanta@pasadenajaycees.org or visit opsanta.com.

Don't miss out on this hands on opportunity to brighten a child's life!

****All volunteers will be required to have a basic background check, so we encourage you to sign up as soon as possible.****
