

# OPERATION SANTA

Since 1934, the Pasadena Jaycees' Operation Santa project has touched the lives of thousands of children in Pasadena, providing hand-delivered toys and Santa visits to local homes in need.

Children write letters to Santa, volunteers collect toys, and teams dress up as Santa, Mrs. Claus and elves to deliver the presents on Christmas Eve night.

Children with greater needs are given the highest priority, and children from all backgrounds and religions are encouraged to write a letter. In addition to a personal toy, each child will also receive a STEAM toy on their December 24 delivery.
